

FASD Awareness Day

9th September 2004

Invitation

Fetal Alcohol Spectrum Disorders (FASD) Awareness Day is held on 9th September each year around the world to remind us that it takes 9 months to grow a healthy baby before birth and drinking alcohol during pregnancy can interfere with that process.

As part of FASD Awareness Day activities 2004, the
Auckland Region Fetal Alcohol Network
invites you to

“BreakFASD”

When: 8.00am to 11.00am Thursday 9th September 2004.

Where: Seminar Room, 2nd Floor, 27 Gillies Ave, Newmarket, Auckland.
(Short walk from public transport or pay car-parking in Newmarket)

Programme: Complimentary Breakfast

9.09am Awareness Day Moment of Reflection

Video Launch – A Child for Life

Invited Guest Speakers:

Marijke Cederman and Elly Richards from the
Pregnancy and Parental Service of Community Alcohol
and Drugs Services, Auckland.

Tea and coffee.

Register for this **FREE** event by 6 September 2004 to:
Christine Rogan, Alcohol Healthwatch Trust, PO Box 99407, Newmarket
Tel: 09 520 7037 or Email: christine@ahw.co.nz
